PREPARE FOR THE SAT!

North Star Academy Laval offers an onsite SAT Prep Course. Two half days a week, students benefit from individual or small group instruction live with professional tutors virtually, paired with additional guided study time monitored by an in-person academic mentor and advisor. Including all necessary books and accompanying study materials, our SAT Prep program is designed to ready students for the SAT test.

24 HOUR SAT PREP COURSE

Two half days a week

Individual Session: \$3,000
